Then you do it

They know each other ?
Moreover, example ? It'ss scene what?
What is going on !!!

That s the loner n my class Ye Myeong Han ?
What s happen ng ?

JS

JS
I wrote that drama
What ?
Considering how you acted in the morning you sure heard of Scool... right ?
And have you seen some ads for a new upcoming drama Brother ?
I worte that one also I am also in charge of an entertainment show called Show21C
Yeah
What ?

JS
While I was writing I encountered a kiss scene
And I wanted to write as real as it could get
So that's how it was That's awesome
So I asked PILp Among girls there was a girl who had similar personality as the one in my story
And since the girl was in love with PILp

I told him to be as real as he could get and think it as an an exercise.
What - ?!
However, because you only gave out "It's good!" feedback,
It was not helpful at all

What,
that means ....
That
I have had
my eyes on
you
That
May I
like
you?
That too
Those were
only acting ?

JS
My precious first kiss was wasted by his scenario ?
카 카 카 카
How could you do this to me ?
Imag nat on
It was you who followed me around
This must be how one would feel when falling off...

Everyth ng

JS
You underestimated girl's purity.
Do you th nk I won't do anyth ng to get back ?
Ho ~ what are you going to do ?
I will expose your true identity, you split-personality loner !

JS
If people find out who Scool's author is,
It won't be easy for you to stay in the school
You better quit that.
Why should I ?!
If you do harm me in any way
I will torture your lovely guy back there

Are you threaten ng me ?
It s you who are at fault
I won't forget this !
You w ll see
scoff
Hm she s tougher than she looks
Her name pays off I guess ?

Anyway, it was your first time I saw you smiled during acting
Don't tell me you are really falling for that girl—?
??
I smiled ?
Yeah
I did ?
Yeah!
When ?

So, you finally returned to normal status
You don't even remember her name, right ?
Acting-mode - full of charisma
Normal mode - Dull
Well
I th nk the name had a strong mpress on
Why d d you say that by the way
Huh?
That you are the scenar o writer

Ahah~
Don't worry
I have you here.

So say

Expose the truth on the nternet ?
Or expose to some newspaper ?

I will torture your lovely guy back there
How could he torture PILip ?
Well he is a well going scenario writer
Maybe he might remove PILip from the drama?
No way. The new drama Brother must have had few episodes done already
And the casting would have ended long ago

JS
Yeah!
He was just bluffing!
There is no ~~reason to~~ fear!!
Here you are! I've been looking for you!!

They don't make Pil Lip do those anymore since he does not really like to do those.

I was only watching it from TV and it made me cry of embarrassment

JS
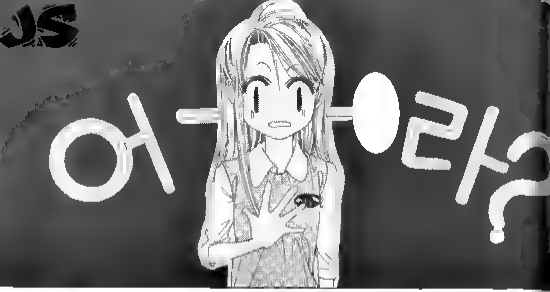
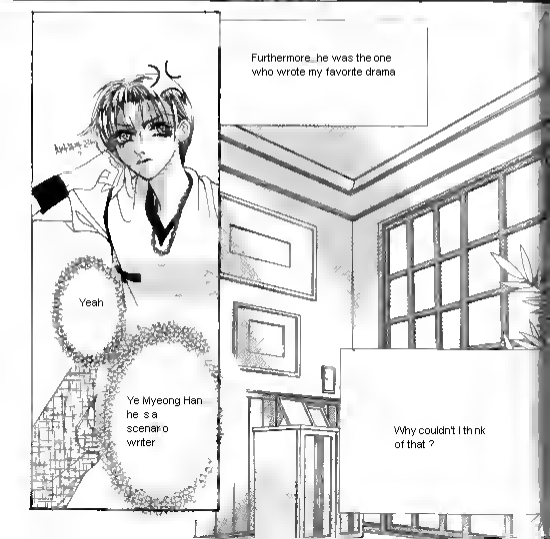
Jeong Hyeon, give me Ye Myeong Han's address
Just tell me !
Why? Class rep
Ah Ok
It was the one who cheated me, and he made the first move ?!
It s not l ke I exposed or anyth ng yet !

I cannot forgive him !
Ah ?
came from TV station right away
Hey, Ye Myeong Han !!
bye
The front door s suffer ng today
So, what brought you here?

JS
You don't know ?!
JTL
If you have a grudge against me, deal with me !
How could you write such a wicked scenario...



JS
어떠라?



Yeah
Ye Myeong Han he s a scenario wrtter
Furthermore..he was the one who wrote my favorite drama
Why couldn't I th nk of that ?

There is no professional and dedicated course for scenario writer. I don't think there are any private institute for it, either.
Even if there are I am only a high school student and I am sure my mother wouldn't pay for the tuition

?
Stoned after shouting

So what ?
If you have something to say say it

I will be your student !!
JTL

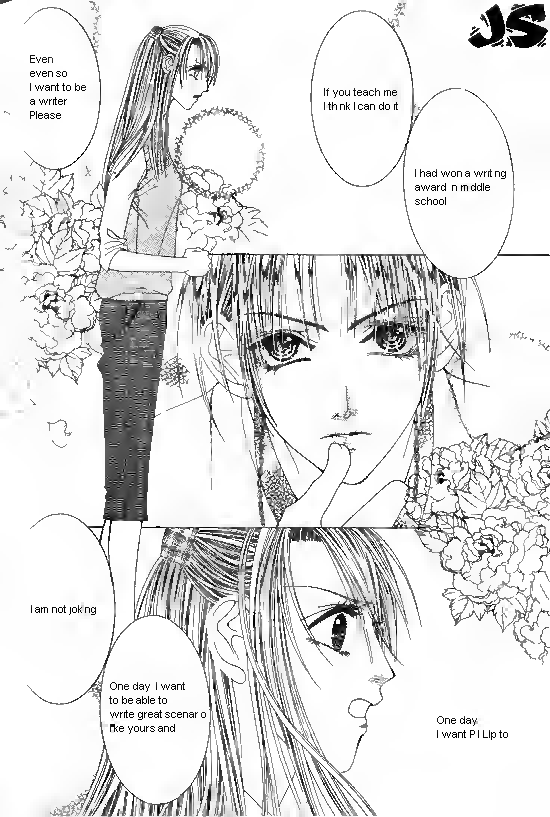
JS
What ?
Make me your student
JTL

You nvaded into a stranger s house and declared to be my student out of nowhere?
Let s forget how th s unfolded like th s f rst Second
Why should I ?
That
That s because
You made P L p to do the nd v dual sk ll
And you made me suffer by watch ng it
Ahhhh I am not mak ng any sense!
JS

If that is your reasoning,
I guess I have to take every fans who suffered as my students ?
P I L p..aren't you angry ? Say someth ng
Chang ng the d rect on of approach
That won't work

He came here before you and vented already
Suffocated
So he's cool
He Ra 40 mn
Ye Myeong's apartment
P I L p 5 mn range
Well, anyway, you are way off to be a writer.
Bored
What? You haven't tried. How would you know ?
I can foresee ten when I see one!

Your real frist love kissed you.
And all you could say was "Good". And you want to be a scenario writer ? Don't make me laugh.
Are you underestimat ng the drama ?
Quit wandering around!
I didn't know Pil Lip's personality was like this?



Even
even so
I want to be
a writer
Please
If you teach me
I think I can do it
I had won a writing
award in middle
school
I am not joking
One day I want
to be able to
write great scenario
like yours and
One day
I want PILip to

And what?
No nothing
Oh, I see
Then
In fact
Girls at your age it's so obvious
What ?

It's not the scenario you want to do, right? It's all because of Pil Lip, huh?
All you want s follow wherever he goes Am I wrong?
Vell your dea s refresh ng compared to those who want to be a PD or a reporter But I suggest you g ve up now
Do you ser ously th nk such a loose thought would be able to get you through all the hardsh p to be one ?

JS
You thought you could do it because a person who's the same age as you have done it ?
No..., I didn't... think like that
Does a scenario writer sound like some kind of easy job to you?
Can you give up school and every relationship you had and dedicated all your time on this ?!
Can you l ve wth debat ng wth aud ence rat ng actors and sponsors for days and st ll devote your t me on wr t ng scenar o ?

If you can't do that, quit bothering me and get out of my sight !!
A thoughtless bitch like you disgusts me the most !!

I got carried on...
She's gonna cry, right? I hate this -
Ye Myeong's office-apartment
Uwhaaaaaaaa -

Ahhhhhhhhhhhhhhh-!
Wh wahat ?
How about it
My vo ce s a lot louder than yours r ght ?
Non sense

You thought I would run away if you shout, right ?!
You may have won others that way but it won't work on me Don't underest mare me!
Is ng too You sure have the volume
Really? I am so happy
Quit the chit chat !!
One of the reasons I want to write
Is PTLp I will admit

I was inspreid by Pil Lip's acting so much that I wanted to be a scenario writer. What is wrong with that?
The intention won't matter, will it ?
Bes des writ ng has been my dream s nce I was a k d
So pretty please ?
Hmm
Ok

Well then I am going to test how strong your intentions
Is that all right?
yeah!
There are conditions
The first obey my words at once
The second you come here and cook after school everyday
Eh - ?!

But I don't know how to cook
You can quit if you want to
No ! Yes, sir !
All r ght the thrd

To add, my vision is weak. So, I get all cranky when I don't wear glases.
A little stimulus, I will burst.
So, before anyth ng b g happens I need you to prevent!
